(the "**Company**")

**NOTICE TO SHAREHOLDERS OF
VAM FUNDS (LUX) – WORLD GROWTH FUND**

Luxembourg, 10 August 2017

Dear Shareholder,

We are writing to inform you of a merger taking place for VAM Funds (Lux) – World Growth Fund (the "**Receiving Fund**"), a sub-fund of the Company (the "**Merger**").

The board of directors of the Company (the "**Board**") has decided to accept the Merger of VAM Funds (Lux) – Focused Global Equity Fund (the "**Merging Fund**") with the Receiving Fund. The Merging Fund is a sub-fund of the Company.

The Merger will be effective on 22 September 2017 (the "Effective Date").

The purpose of this letter is to describe the Merger of the Merging Fund with the Receiving Fund, in accordance with section "LIFETIME, MERGER AND LIQUIDATION OF THE FUND AND COMPARTMENTS" of the prospectus of the Company (the "**Prospectus**"), as well as the merger procedures applicable under the law of 17 December 2010 on undertakings for collective investment, as amended (the "**2010 Law**").

If you do not agree with the planned Merger, you may take this opportunity to redeem your shares free of charge or convert them under the same conditions, from the Receiving Fund to any other sub-fund within the Company until 14 September 2017 at 4 p.m. CET ("**Cut-off**").

A detailed comparison between the Merging Fund and the Receiving Fund is set out in the Appendix to this letter.

If you have any questions, please contact VAM Global Management Company S.A., 16, rue Jean-Pierre Basseur, L-1258 Luxembourg, Tel: +352 20 60 0484, vamglobalmanco@vamgrouplux.com.

1. REASON FOR AND ADVANTAGE OF THE PROPOSAL

A significant investor in the Merging Fund has indicated its intention to redeem its shares in the Merging Fund. As a consequence, the Merging Fund will no longer be economically viable.

By merging the Merging Fund into the Receiving Fund, shareholders of the Receiving Fund should benefit from the advantages associated with superior scale due to the increased size of assets under management following the Merger. The Merger should, therefore, provide economies of scale, with the expectations that this should ensure relatively lower costs in the future.

For the above reasons, the Board believes that the decision of the Board, taken in accordance with Article 5 of the articles of association of the Company (the "**Articles**"), to merge the Merging Fund into the Receiving Fund best serves the interests of the shareholders of the Receiving Fund.

2. SHAREHOLDERS' RIGHTS

Shareholders may request redemption or conversion of their Shares by 4 p.m. CET on 14 September 2017.

Please note that it is not expected that the Receiving Fund's portfolio be rebalanced in the context of the Merger.

In addition, the Merger is not expected to entail a dilution effect on the Receiving Fund.

A schedule of the principal differences between the Merging Fund and the Receiving Fund is set out in the Appendix to this letter.

3. INVESTMENT OBJECTIVE AND POLICIES OF THE MERGING FUND AND OF THE RECEIVING FUND, AND RELATED RISKS

The Receiving Fund will continue to be managed according to its current investment objective and strategy after the Merger.

Neither the current risk profile nor the SRRI mentioned in the Key Investor Information Document will change due to the Merger.

The differences between the Merging Fund and the Receiving Fund are detailed in the Appendix to this letter.

The dealing costs of investing the cash transferred to the Receiving Fund as a result of the Merger, will be borne by the Receiving Fund and ultimately by all investors in the Receiving Fund, including the shareholders of the Merging Fund having participated in the merger.

You should consider whether the Receiving Fund continues to meet your personal investment requirements. If it does not, you may redeem your shares or convert them under the same conditions, from the Receiving Fund to any other sub-fund within the Company until 14 September 2017 at 4 p.m. CET ("**Cut-off**").

If you are in any doubt as to the action to be taken, you should consult your independent financial adviser, stockbroker, bank manager, solicitor, attorney or other professional adviser.

4. FEES AND EXPENSES

The implementation of the Merger will not affect the fee structure of the Receiving Fund which shall remain unchanged. For more detailed information please refer to the Appendix to this letter.

5. TERMS

The Merger will be effective on the Effective Date.

Upon the Effective Date, the Merging Fund will transfer all its assets and liabilities to the Receiving Fund. Shareholders of the Merging Fund will receive in exchange shares in the Receiving Fund of a total value which will correspond to the total value of the shares held in the Merging Fund.

As of the Effective Date, all of the assets and liabilities of the Merging Fund shall be transferred to the Receiving Fund.

Merger reports and availability of documents

In accordance with article 71 (1) of the 2010 Law, the merger reports will be prepared by Ernst & Young S.A. and will include a validation of the following items:

- (i) the criteria adopted for valuation of the assets and/or liabilities for the purposes of calculating the exchange ratio;
- (ii) the calculation method for determining the exchange ratio; and
- (iii) the final exchange ratio.

Copies of the merger reports on items (i) and (ii) shall be made available free of charge from the date of this notice upon request to the shareholders of the Receiving Fund. Copies of the merger reports on item (iii) will be available on the next business day following the Effective

Date. In order to obtain the merger reports, please contact VAM Global Management Company SA whose contact details are mentioned on the first page of this notice.

The Common Merger proposal is enclosed with this letter.

Copies of the latest annual and semi-annual reports and the material contracts of the Company may be obtained and/or inspected free of charge at the registered office of the Company.

Costs of the Merger

All the Merger expenses as referred to in the 2010 Law, including the legal, audit and regulatory changes, will be borne by VAM Global Management Company S.A.

Any dealing costs in adjusting the portfolio of assets of the Merging Fund prior to the Effective Date will be borne by the Merging Fund and ultimately by investors in the Merging Fund. The dealing costs of investing the cash transferred to the Receiving Fund as a result of the Merger, will be borne by the Receiving Fund and ultimately by all investors in the Receiving Fund, including the shareholders of the Merging Fund having participated in the Merger.

Any additional liabilities accruing after 4 p.m. CET (Luxembourg time) on the Effective Date, will be borne by the Receiving Fund.

Tax impact

The Merger will not subject the Receiving Fund to taxation in Luxembourg. Investors may however be subject to taxation in their tax domiciles or other jurisdictions where they pay taxes.

If you are in any doubt regarding your taxation position as a result of the Merger you should consult your own professional adviser as to the implications of the Merger under the laws of the country of your nationality, residence, domicile or incorporation. You may also refer to the summaries of the anticipated tax treatment of the Receiving Fund and its shareholders in the Prospectus.

The Board accepts responsibility for the accuracy of the information contained in this notice as at the date of the mailing.

Yours faithfully,
On behalf of the Board of VAM Funds (Lux)

Appendix: Main differences between the Merging Fund and the Receiving Fund

Unless stated otherwise, the terms used in this Appendix are as defined in the Prospectus.

PRODUCT FEATURES	VAM FUNDS (LUX) – WORLD GROWTH FUND (the Receiving Fund)	VAM FUNDS (LUX) – FOCUSED GLOBAL EQUITY FUND (the Merging Fund)
Name	VAM Funds (Lux) – World Growth Fund	VAM Funds (Lux) – Focused Global Equity Fund
I. OPERATIONAL DETAILS		
Valuation Day	The net asset value of each Class within the Compartment shall be calculated on each day that is a full bank business day in Luxembourg and the New York Stock Exchange is normally open for business.	unchanged
Issue Price	The issue price for Shares in each Compartment is equal to the net asset value of each Share in that Compartment, calculated on the relevant Valuation Day.	unchanged
Reference Currency	USD	unchanged
Risk management methodology	Commitment	unchanged
II. INVESTMENT OBJECTIVES AND POLICIES, AND RELATED RISKS		
Objectives and Investment Policy	<p>The investment objective of the Compartment is to achieve significant capital appreciation over each full market cycle. To achieve this objective the Compartment will invest in an unleveraged portfolio of equity and equity-convertible securities and cash or cash equivalents.</p> <p>The Compartment invests primarily in equity securities of both U.S. and non-U.S. companies exhibiting strong growth characteristics. Under normal market conditions, the Compartment primarily invests in common stocks and other equity securities, including preferred stocks, both within and outside the U.S., whose market capitalization is greater than USD 1.0 billion at the time of investment, although the Compartment may invest in companies with lower market capitalizations if market conditions suggest</p>	<p>The investment objective of the Compartment is to maximize capital appreciation over each full market cycle. To achieve this objective the Compartment will primarily gain exposure, directly or indirectly, to a portfolio of equity and equity-convertible securities, financial derivative securities and cash or cash equivalents.</p> <p>The Compartment's assets will consist primarily of equity securities of both US and non-US companies exhibiting strong growth characteristics with no market capitalisation restrictions. The Compartment seeks to be opportunistic in pursuing investments in companies that meet its criteria regardless of geographic location and, therefore, at certain times, the Compartment could have sizeable positions in either developed countries or emerging markets. The Compartment may</p>

	<p>doing so will help the Compartment achieve its objective. The Compartment seeks to be opportunistic in pursuing companies that meet its criteria regardless of geographic location and, therefore, at certain times, the Compartment could have sizeable positions in either developed countries or emerging markets. The Compartment may invest in companies with limited operating histories.</p> <p>The Compartment may hold liquid assets on an ancillary basis. Under normal market conditions, investment in liquid assets and debt instruments of any kind will not exceed 15% of the Compartment's net assets.</p> <p>The Compartment may invest in securities of issuers of emerging countries and investors should be aware that such investments are more speculative and subject to greater risk than those in securities of issuers of developed countries. Emerging markets may be volatile and illiquid and the investments of the Compartment in such markets may be subject to significant delays in settlement. The risk of significant fluctuations in the net asset value and of the suspension of redemptions in the Compartment may be higher than for Compartments investing in major world markets. In addition, there may be a higher than usual risk of political, economic, social and religious instability and adverse changes in government regulations and laws in less developed or emerging markets. The assets of the Compartment, as well as the income derived therefrom, may also be affected unfavourably by fluctuations in currency rates and exchange control and tax regulations and consequently the net asset value of the Compartment's Shares may be subject to significant volatility. Some of these markets may not be subject to accounting, auditing and financial</p>	<p>invest in companies with limited operating histories.</p> <p>By derogation to investment restriction 1(A) (i) f), the Compartment may use financial derivative instruments for efficient portfolio management and/or investment purposes. In particular, the Compartment may take short positions through the use of financial derivative instruments such as but not limited to buying, selling and writing call options and put options, futures contracts and swaps.</p> <p>The Compartment may also invest in corporate, convertible and sovereign debt of issuers worldwide on an ancillary basis.</p> <p>The Compartment may hold liquid assets on an ancillary basis. Under exceptional market circumstances and on a temporary basis, the Compartment may hold up to 100% of its net assets in liquid assets.</p> <p>The Compartment may invest in securities of issuers of emerging countries and investors should be aware that such investments are more speculative and subject to greater risk than those in securities of issuers of developed countries. Emerging markets may be volatile and illiquid and the investments of the Compartment in such markets may be subject to significant delays in settlement. The risk of significant fluctuations in the net asset value and of the suspension of redemptions in the Compartment may be higher than for Compartments investing in major world markets. In addition, there may be a higher than usual risk of political, economic, social and religious instability and adverse changes in government regulations and laws in less developed or emerging markets. The assets of the Compartment, as well as the income derived therefrom, may also be affected unfavourably by fluctuations in currency rates and exchange control and</p>
